Civil Action No. 4:19-CV-490
(Judge Jordan/Judge Nowak)

ORDER OF DISMISSAL WITHOUT PREJUDICE

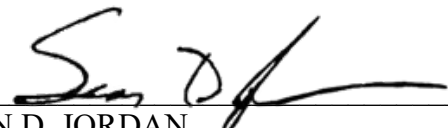

Came on for consideration Plaintiff Chad Dannheim's Voluntary Motion to Dismiss (Dkt. #15), wherein Plaintiff requests the Court to "[p]lease take this as a letter of motion to voluntarily dismiss this civil action" (Dkt. #15 at 1). At Hearing on September 11, 2019, Defendant indicated that it did not oppose Plaintiff's request (Dkt. #13) and further confirmed its non-opposition in its Notice of Correspondence filed the same day (Dkt. #12 at 1, ¶3). The Court, having considered Plaintiff's Voluntary Motion to Dismiss, and all other relevant filings, determines that the Motion should be **GRANTED**. It is therefore

ORDERED, ADJUDGED, AND DECREED that all claims Plaintiff asserted, or could have asserted, against Defendant in this lawsuit are hereby **DISMISSED WITHOUT PREJUDICE**.

All relief not previously granted is hereby **DENIED**.

The Clerk is directed to **CLOSE** this civil action.

So ORDERED and SIGNED this 18th day of October, 2019.

SEAN D. JORDAN
UNITED STATES DISTRICT JUDGE
